Keeping you Informed

News from our Principal

Dear Roosevelt Roughriders and Families,

It's been another wonderful year at Roosevelt with so many new projects accomplished in and outside of our school building. Within our building, STEM technology resources have increased in number and our staff have begun to incorporate STEM activities within the curriculum and at after school clubs. Our outdoor electronic message board was completed in November and the construction of our new K/1 playground was completed this May. No doubt as a community, we continue to strive toward excellence for all of our students.

As I reflect on the year, I am overjoyed to be the principal of such a generous, giving school community, as is Roosevelt. All that we have accomplished could not have been done without our supportive district administration, outstanding PTA board and membership, great staff, community volunteers, our K-Kids organization, and our students.

As we part for summer break, we wish all of you a safe and fun summer! Fifth graders, we wish you the best at middle school. You will be missed! Please don't forget to return to Roosevelt and enjoy our brand new playground with your siblings and friends.

*Have a wonderful summer!
Mrs. Hanna*

Movin' and Groovin' at Roosevelt's Summer School

IT'S NOT TOO LATE TO REGISTER

All students at Roosevelt are eligible to participate in Summer School. Registration and course selection are done on-line. The link can be found on the SDJ Main webpage. Classes begin June 12th from 8:00 – 11:30 am.

More information on the back

REMINDER

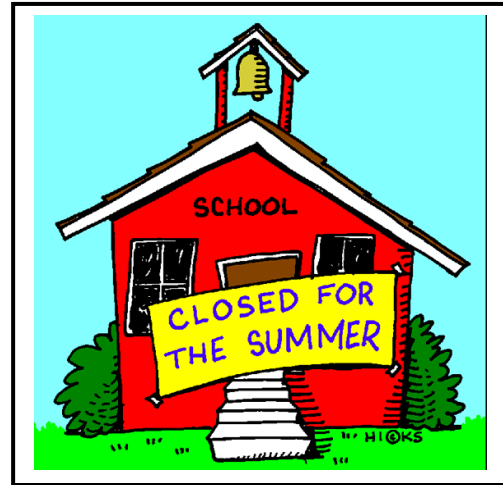

August 16, 2017: Elementary
Registration Day

It is not necessary to attend this day if you do all updates on Infinite Campus on your own. There will be computers available at Roosevelt for your use if needed.

August 31, 2017: Elementary Open
House 5:00-6:30 pm

Students can meet their teacher and drop off supplies

Sept. 5, 2017: 1st day of school

Online Information & Updates

Refer to the School District of Janesville webpage to find out all the information for the 2017-2018 school year. The school year calendar and supply lists will be posted to the site during summer. Each year every family is required to register their student(s) on line through Infinite Campus. On line registration will open on July 10th. You will find the link to registration in your Infinite Campus inbox. You may complete this step any time before Aug. 16. On Aug. 16 Roosevelt will be open to assist families with on line registration using computers in the office.

Please come out with your families and enjoy our new playground this summer.

HAVE A GREAT SUMMER VACATION! SEE YOU IN SEPTEMBER.
